NEW PRODUCT

Toyota 200 Series

180L Longrange Auxiliary Fuel Tank

Part No TA65L to suit all models without factory sub tank

With this LongRange Fuel Tank we give the owners of this new V8 Land cruiser the option Toyota left off the list, and some. With all the other models in the line up having twin tanks, this LongRanger Auxiliary tank provides the user with a huge boost in fuel capacity thanks to a 193% increase over the standard 93L tank to give a new total of 273L. When used in conjunction with a swing away wheel carrier this combination has improved departure angle and will offer the ultimate in freedom and adventure to go anywhere anytime.
